

Linksys AE3000 | Dual-Band Wireless-N USB Adapter with 3 x 3 Antenna

Upgrade your laptop or desktop computer to the range and speed of Dual-Band Wireless-N to stream HD video, share photos, and game online.

Ideal for:

- Getting connected to Wi-Fi networks
- Avoiding congestion in active online households
- Streaming HD video and online gaming

Key features:*

- Leading Wireless-N technology for top performance and range
- Wireless speeds up to 450 Mbps
- Maximum range with a full antenna array

Linksys AE3000 | Dual-Band Wireless-N USB Adapter with 3 x 3 Antenna

Wireless-N

Built with 802.11n technology for top performance and range*.

Maximum speed

Wireless speeds up to 450 Mbps for a powerful home networking experience.

Optimal range

Full 3x3 MIMO antenna array for optimal coverage and reliability.

Selectable Dual-Band

Operates at either 2.4 or 5 GHz to avoid wireless interference.

Advanced security

Advanced security features such as WPA2 wireless encryption help you keep your data protected.

Easy setup

The included Cisco Connect setup software installs your adapter quickly and makes going wireless easy.

Adapter cradle

USB cradle for flexible placement of the adapter when used with a laptop or desktop.

Linksys EA4500
Wireless-N Router

USB connection
with adapter

OR

USB connection
with adapter in cradle

To achieve maximum performance pair with a 3 x 3 wireless router like the Linksys EA4500

MINIMUM SYSTEM REQUIREMENTS

Web Browser Internet Explorer 7, Safari 4, or Firefox 3 or higher for optional browser-based configuration

PC PC with CD or DVD drive, running Windows XP SP3, Windows Vista SP1 or later, or Windows 7. Available USB 2.0 port.

PACKAGE CONTENTS

- Linksys AE3000 Dual-Band Wireless-N USB Adapter with 3 x 3 Antenna
- CD-ROM with installation wizard and documentation

TECHNICAL SPECIFICATIONS

Model	Linksys AE3000
Technology	Wireless-N (also works with 802.11b, 802.11g)
Band	2.4 GHz or 5 GHz
Transmit/Receive	3 x 3
Antennas	3 Internal
Software	CD Install
OS Compatibility	Windows
Package dimensions (w x h x d)	21.7 x 13.9 x 5.7 cm
Product dimensions (w x h x d)	8.28 x 2.89 x 1.53 cm (without cap)
Product weight	0.075 kg
Warranty	2 year hardware limited warranty

*Maximum performance derived from IEEE Standard 802.11 specifications. Actual performance can vary, including lower wireless network capacity, data throughput rate, range and coverage. Performance depends on many factors, conditions and variables, including distance from the access point, volume of network traffic, building materials and construction, operating system used, mix of wireless products used, interference and other adverse conditions.
